Volunteers undertake a range of activities with CPRE Devon, from hands-on or strategic campaigning to providing practical help and support, regularly or just occasionally. You don't need to be an expert – simply interested in learning more and doing something about it. In which of the following areas would you like to get involved? (please tick any that apply) –

Help with planning and development matters

Housing and affordable housing

Transport, road, rail, air

Energy, Minerals

Woods, Hedgerows, Wildlife & Ecology

Farming & local produce

Litter, flytipping, waste and recycling

Light pollution, noise and tranquillity

Fundraising, publicity

Organising and helping at events, shows etc

Other

Tell us about other things you'd like to do or specific skills/experience that you could offer. We'd be very pleased to hear from you. With more help and support we could do more to protect Devon's countryside and green spaces.

Please send your completed form to Penny Mills by email to [info@cpredevon.org.uk](mailto:info@cpredevon.org.uk) or call on 01392 966737.
